Employer Services

The West Virginia Division of Rehabilitation Services (DRS) assists businesses and employers with finding solutions to disability-related issues. We can provide you with critical business options in the areas of staffing, education, employee retention, accommodations and ensuring accessibility to your goods and services.

Employment Specialists

Through our Employer Services program, DRS employs a professional team of employment specialists to provide business owners and employers with real opportunities to build on your business or organizational success.

With offices throughout the state, DRS employment specialists provide outreach to every county in West Virginia. DRS Employer Services will prove beneficial to your business or organization, whether it’s large or small. Through a network of partners, DRS can access information and services that will have a positive impact on your bottom line.

Services we provide:

- Pre-screened qualified applicants to reduce the cost of recruitment and hiring
- Reimbursement for on-the-job training costs, including the trainee’s salary and necessary accommodations
- Consultation, recommendations and training for retention of employees who acquire a disability
- Technical assistance on the Americans with Disabilities Act (ADA)
- Accessibility options and solutions
- On-site disability awareness training
- Information on tax credits available to employers

DRS Mission

Together, we enable and empower individuals with disabilities to work and to live independently by providing individualized services to consumers and employers.
